The Leaders in Home Health and Hospice Care

For 120 years, the agencies of Home Health Foundation have provided quality, compassionate care to all in the places they call home, regardless of ability to pay.

Giving your unwanted vehicle to Home Health Foundation, Merrimack Valley Hospice or HomeCare, Inc. – in any condition – and it will provide dignity and comfort to people in their final days. It can deliver specialized treatments to help people recover at home. It means kids with chronic illness have fewer trips to Boston. And it means our agencies will remain here for you well in to the future.

So let us turn your old car, truck, van, boat, RV or motorcycle into great care! We receive its value as a donation and you get a tax deduction!

It's easy!

1. Call 866-392-4483 today or go to www.donateforcharity.com
2. Specify one of our agencies for your donation
3. They will tow/pick-up your vehicle for free
